# BARECHO

## 30 years

1988-2018

**THURSDAY JULY 19th 2018**

**Location: Årsunda idrottsplats, Årsunda**

We welcome **all** of you to join us in celebrating that it's  
30 years since the first Barecho litter was born!

During the day we plan to have a show open to all dogs bred by us. To this show we also invite dogs that are sired by dogs we have owned/leased (Night Wish Darrem Canis, Wongan Kadenza, Peablossom Jester, Wongan High Flyer) as well as dogs that have a sire or dam born Barecho, of course this applies to all breeds (Eng. Springer, Cocker & Affenpinscher) we have bred.

In addition to the dog show, we will have several fun competitions and try-on things for the dogs during the day. In the evening we plan to have a party with some kind of entertainment.

**Most important, this day is also an opportunity to meet, talk about dogs  
and have fun together.**

Of course you can choose to participate in both the dog show and the other activities, or just participate in one. Perhaps you just want to go to the party in the evening? It's up to you what you want to do during this day/evening. Besides our puppy buyers, that of course are especially invited, all our other friends and acquaintances are also very welcome - we hope to share this day and evening with as many of you as possible!
